**AccuraText, LLC**

These Terms of Use govern all audio and video recordings (“Recordings”) uploaded to AccuraText, LLC (“AccuraText,” “we,” “our,” or “us”).

By uploading a Recording, you agree to the following terms.

## 1. You Must Have Legal Rights to the Recording

You affirm that:

- You own the recording **or**
- You have explicit permission to use it
- You have obtained all legally required consents from *every recorded party*

AccuraText is not responsible for verifying the legality of your recordings.

## 2. Compliance With Recording Laws

You agree to follow all applicable:

- Federal wiretapping laws
- State one-party or two-party consent laws
- Privacy regulations
- Contractual confidentiality obligations

Uploading illegal recordings is strictly prohibited.

## 3. Prohibited Content

Recordings may **not** include:

- Illegally recorded conversations
- Private medical data protected under HIPAA
- Content obtained without consent in two-party consent states
- Extremely explicit or harmful content
- Any content violating copyright, unless you own or licensed it

## 4. License to Process the Recording

By uploading a recording, you grant AccuraText a **limited, non-exclusive license** to:

- Access the file
- Process and caption the content
- Create output files necessary to complete the project

You retain full ownership of your original recording.

## 5. Confidentiality

AccuraText will:

- Keep all recordings confidential
- Never sell or share client audio or video files
- Use files solely to provide the requested service

## 6. Removal of Uploaded Files

Users may request early deletion at any time.

Completed deletions cannot be reversed.

## 7. Violations

Uploading illegal or unauthorized content may result in:

- Denial of service
